

2011 Melbourne Cup Carnival Event Accreditation Terms & Conditions

General

- 1) By completing an Online Application, each Applicant and their Corresponding Company declare that they have each read and understood, and that they agree with and agree to be bound by, these terms and conditions and also the *Conditions of ticketing and entry for Flemington Racecourse* and any other terms and conditions applying to the Site or the relevant Zones, each of which are available at www.melbournecup.com/conditions (**Course Conditions**). Each Applicant warrants that he or she is duly authorised to enter into these terms and conditions as a contract on behalf of his or her Corresponding Company. These terms and conditions only apply in relation to the Lock Down Period (24th October, 2011- 9th November, 2011). The Corresponding Company is jointly and severally responsible, along with the Accredited Party, for the acts and omissions of the Accredited Party.
- 2) To the extent of any inconsistency, these terms and conditions prevail over any other Course Conditions.

Accreditation Process

- 3) Accreditation is required for all people working at the Site on the four days of the Melbourne Cup Carnival, which are as follows.
Derby Day – Saturday 29th October, 2011.
Cup Day – Tuesday 1st November, 2011.
Oaks Day – Thursday 3rd November, 2011.
Stakes Day – Saturday 5th November, 2011.
Accreditation is also required for all people entering the Site on the non-racedays of the Lock Down Period (24th October, 2011-9th November, 2011).
- 4) If a Company needs to obtain accreditation for more than one Applicant, the relevant Company must nominate a single representative (the **Supervisor**) to manage the accreditation process for that Company and associated Applicants and liaise as necessary with VRC. For the avoidance of doubt, nothing in these terms and conditions provides the Supervisor with a right to access the Site, unless that Supervisor is also an Accredited Party. This clause does not prevent anyone who holds a valid ticket from entering the Site.
- 5) The Corresponding Company must ensure that each associated Accredited Party is aware of and complies at all times with these terms and conditions and the Course Conditions relevant to that Accredited Party.
- 6) Online Applications:
 - a) Incomplete Online Applications will not be considered for Accreditation.

 - b) Accreditation will only be granted to Applicants who are required to attend the Site in a working capacity.
 - c) The Zone(s) for which the Accredited Party will be authorised will be determined by VRC at its sole discretion based on factors including (but not limited to) the Applicant's anticipated role and occupational health and safety requirements.
 - d) Without limiting any of these terms and conditions, if VRC receives a National Police Certificate or other information from a statutory authority which, in VRC's opinion, indicates that an Accredited Party is unsuited to working in the capacity for which Accreditation has been obtained, then VRC may:
 - (i) require that the Accredited Party be deployed in a different role or location; or
 - (ii) where VRC considers redeployment impractical, immediately revoke the Accredited Party's Accreditation.
- 8) Approval
 - a) If an Applicant is approved for Accreditation, the VRC will provide that Applicant with a single, non-transferable Accreditation Device for the Lock Down Period.
 - b) VRC will notify all Applicants (or Supervisors if relevant) via email, post, phone or fax about the outcome of their Accreditation application.

- 9) If an Accreditation Device is lost or stolen, then the VRC may elect to (but does not guarantee to) issue a duplicate Accreditation Device to the relevant Accredited Party, provided that:

A separate, complete Online Application must be provided for the proposed substitute.
- 11) If an Accreditation Device has already been issued to the Accredited Party (or to their Supervisor), that Accreditation Device must be returned to VRC with the written communication referred to in paragraph 10).
- 12) VRC reserves the right, in its sole discretion, to refuse the proposed substitution for any reason whatsoever, or to limit the scope of the Accreditation granted to the substitute Applicant in any manner whatsoever including, but not limited to, the restricting of Zone(s) to which the substitute Accredited Party may have access.
- 13) VRC will consider the request for substitution and will notify the Accredited Party and the substitute Applicant whether they have been successful in their request for substitution.
